

Helping **BOYS** Learn

Fostering Mastery is not Teaching... it's Coaching

Mastery builds up boys resilience and commitment for long term success

A boy must be given the power to work towards mastery on his own

Boys need to know "what something is good for" to fully engage in learning and master it

The Secret of

in Boys' Learning

I GOT THIS, MOM!

Encouraging mastery helps avoid parent/child power struggles

Mastery is fostered when the pathway is clearly described, it is publically tested & recognized, and self-mastery is demonstrated
